## GL GREEN & ASSOCIATES

Winning 8 of the 16 awards given at last year's Spring Showcase of Homes, GL Green & Associates is a design-build custom luxury home builder offering complete architectural and interior design services, luxury amenity packages, and extraordinary style.

With uncompromised integrity and an uncommon commitment to quality and master craftsmanship, GL Green creates custom home projects that are viewed as the best built custom luxury homes in the southwest. Now building homes priced from the low 200s and ranging into the millions.
